

**PRACTITIONER AND INSTRUCTOR**  
**REQUIREMENTS FOR CERTIFICATION**  
**BY THE**  
**AMERICAN ACADEMY OF FERTILITYCARE PROFESSIONALS**

1. A statement attesting to your agreement to adhere to the Code of Ethics of the Academy.
2. A letter of reference from someone who has direct knowledge of your *FertilityCare* service.
3. Documentation of active teaching of the Creighton Model *FertilityCare* system during the 12 months prior to your application. This time may begin immediately after the completion of your education program.
4. A case list indicating that minimum numbers during the field service component have been achieved. The field service component may be a time period of no more than 3 years. (It may be shorter, if requirements are met.) The field service component may not include the time enrolled in an education program. The minimum numbers are:  
  
    Instructors:   10 new clients, 3 within the past 12 months  
                  40 follow-ups, 8 within the past 12 months  
                  4 introductory sessions, 2 within the past 12 months  
  
    Practitioner:  10 new clients, 3 within the past 12 months  
                  50 follow-ups, 10 within the past 12 months  
                  4 introductory sessions, 2 within the past 12 months
5. A list of appropriate resources to assist with your case management.
6. Documentation of at least 1 continuing education experience in *FertilityCare* each year.
