

Our Mission: foster, advance and promote the Creighton Model FertilityCare™ System (CrMS) and NaProTECHNOLOGY through SERVICE, EDUCATION, RESEARCH, and LEADERSHIP.

Who we ARE: the Professional Organization for Providers of the Creighton Model FertilityCare System and NaProTECHNOLOGY. The American Academy of FertilityCare™ Professionals was founded in 1981

What we OFFER:

EDUCATION PROGRAMS & CONTINUING EDUCATION We offer CME/CEU opportunities at our Annual Meeting, webinars, and other web-based educational resources in the areas of fertility appreciation, NaProTECHNOLOGY, science/research, ethical challenges, practice management and promotion.

NETWORKING We have over 500 members worldwide. Membership is made up of Providers of the Creighton Model FertilityCare System as well as those who support our mission and values: Practitioners, Nurses, Doctors, Allied Health Professionals, Clergy, and Religious, and other organizations that are supportive of the mission of the AAFCP. We work closely with the Pope Paul VI Institute for the Study of Human Reproduction and the FertilityCare Centers of America.

EXCELLENCE

CERTIFY & PROMOTE EXCELLENCE in CARE & SERVICE For women and/or couples to obtain optimal benefit from the CrMS, they must receive competent personal instruction from FertilityCare Practitioners, and when needed, from FertilityCare Medical Consultants. To support excellence in these services, the Academy

- Certifies FertilityCare Practitioners
- Certifies FertilityCare Medical Consultants
- Certifies FertilityCare Educators, Supervisors, and Instructors
- Accredits CrMS Educational Programs
- Approves CrMS Service Programs

CONSCIENCE PROTECTION We work to protect the conscience rights of our professionals who are involved in the delivery of the Creighton Model FertilityCare System and NaProTECHNOLOGY.

RECOGNIZE AND AWARD EXCELLENCE We provide Annual Awards for outstanding research, writing, service, practice, and leadership in the Creighton Model FertilityCare System and NaProTECHNOLOGY.

RESEARCH We collaborate with other organizations that share in our values & mission to further the research on which the Creighton Model FertilityCare System and NaProTECHNOLOGY are based.
