

Experience the Creighton Model FertilityCare™ System

A beautiful harmony of faith, science, and personalized care.

Rooted in respect for the dignity of each person, the Creighton Model offers professional fertility appreciation through individualized follow-ups, scientifically developed teaching tools, and ongoing research. Every aspect is guided by compassion and integrity --supporting couples and individuals in their journey.

With its unique case management approach, this medically standardized system is more than a method --it's a ministry of fertility appreciation that honors God's design for the human body. And now, you can be part of it.

Become a FertilityCare™ Practitioner

Share the beauty of this work by becoming a FertilityCare Practitioner and guide for others. Join a community dedicated to upholding the sacred gift of fertility while offering meaningful, faith-informed support to those who seek it. Whether you are discerning a new vocation, passionate about holistic women's health, or simply called to serve in a deeper way, this mission invites you to make an impact --one couple, one life, one sacred cycle at a time.

EDUCATION PHASE I (EPI)

DECEMBER 4-7 AND 11-14, 2025

THE SPIRITUAL LIFE CENTER, WICHITA, KS

EPI is an eight-day immersion course focused on basic teaching skills of the Creighton Model FertilityCare™ System including anatomy, physiology, contraception, Fertility Appreciation methods, chart reading and correcting, use of standardized tools, system instructions, and techniques of follow up.

SUPERVISED PRACTICUM I (SPI)

DECEMBER 2025 - JUNE 2026

PRACTITIONER'S HOME LOCATION

During SPI, students teach a minimum of six (6) clients in their home location. Students work under the direction of a long-distance supervisor to develop basic teaching skills in the CrMS.

EDUCATION PHASE II (EPII)

JUNE 4-6 & 11-13, 2026

THE SPIRITUAL LIFE CENTER, WICHITA, KS

EPII is a six-day immersion course focused on advanced teaching skills of the CrMS. Topics include infertility, NaProTechnology, unusual bleeding, continuous mucus, pregnancies, advanced behavior issues and a client case review.

SUPERVISED PRACTICUM II (SPII)

JUNE 2026 - DECEMBER 2026

PRACTITIONER'S HOME LOCATION

During SPII, students teach a minimum of 12 additional clients (for 18 clients during the 13-month program) in their home location. Students work under the direction of their certified supervisor to refine basic skills and develop advanced teaching skills in the CrMS.

NATIONAL FINAL EXAM

SATURDAY, FEBRUARY 20, 2027

Once all course work is successfully completed, the FertilityCare Practitioner Intern sits for the Final Examination to complete the Education Program.

BECOME

A FERTILITYCARE PRACTITIONER

And Change the World!

WHO WE ARE

The Creighton Model FertilityCare™ System provides comprehensive, professional services through individual follow-ups, standardized teaching tools, and ongoing research. With its case management approach, the Creighton Model is medically standardized and a unique option for fertility appreciation.

HELP COUPLES DISCOVER

What every couple needs to know, and what every woman has a right to know.

EDUCATION PROGRAM

The FertilityCare™ Services Diocese of Wichita Practitioner Education Program is a 13-month, comprehensive supervised training for students to teach the Creighton Model FertilityCare System.

COURSE STRUCTURE

Certified and approved faculty present the course in two education phases and two supervised practicums. Students also complete an onsite visit with their supervisor and take a national Final Exam.

Creighton Model FertilityCare System

is highly effective, both to achieve and to postpone pregnancy and offers hope for couples who are experiencing infertility to achieve their dream of pregnancy, in keeping with the teachings of the Catholic Church. The Creighton Model FertilityCare System provides comprehensive, professional services through individual follow-ups, standardized teaching tools and ongoing research.

Catholic Diocese of Wichita FertilityCare Services

is a part of the Diocesan Natural Family Planning Program and has a long-standing tradition of excellence in teaching.

Students who train as FertilityCare Professionals learn to assist couples and women seeking a better understanding of their own fertility and to advocate for their gynecological health.

Scholarships for tuition are available for those students who make a minimum three (3) year commitment to teach in the Diocese of Wichita.
