

SUNRISE TO SUNSET

*Revealing the Beauty of
Women's Health in
NaProTECHNOLOGY
and FertilityCare*

The 34th Annual Meeting of the
American Academy of FertilityCare Professionals

July 15 - 18, 2015

Sirata Beach Resort | St. Petersburg, Florida

AAfcp
American Academy of FertilityCare Professionals

Creighton
UNIVERSITY
Health Sciences
Continuing Education

Jointly sponsored by The AAFCP and
Creighton University Health Science Continuing Education

PURPOSE

The purpose of this education program is to enhance the knowledge of FertilityCare Practitioners, nurses, physicians, other healthcare professionals, and clergy by addressing topics relevant to the CREIGHTON MODEL FertilityCare System, NaProTECHNOLOGY, natural methods of fertility regulation, and allied fields. The program updates participants on current activities, research and trends, cultural and moral issues and focuses on future goals of FertilityCare Professionals.

CATEGORY 1

Creighton University Health Sciences Continuing Education designates this live activity for a maximum of 16 AMA PRA Category 1 Credit(s) TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (7/15=1.5; 7/16=4.0; 7/17=5.5; 7/18=5.0).

AAPA accepts AMA category 1 credit for the PRA from organizations accredited by ACCME.

AAFP

This Live activity, 34th Annual Meeting of the American Academy of FertilityCare Professionals, with a beginning date of 07/15/2015, has been reviewed and is acceptable for up to 15.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES CE

Creighton University Health Sciences Continuing Education designates this activity for 16.0 contact hours for nurses. Nurses should claim only credit commensurate with the extent of their participation in the activity. (7/15=1.5; 7/16=4.0; 7/17=5.5; 7/18=5.0)

Nurses licensed in Iowa and California: This activity was planned and developed in accordance with the continuing education standards of the American Nurses Credentialing Center (ANCC). The Iowa Board of Nursing and the California Board of Nursing will honor ANCC continuing education credits for face-to-face programs held outside Iowa and California, or for ANCC-approved online recorded courses taken in a self-study format.

ACCREDITATION STATEMENT

This activity has been planned and implemented by Creighton University Health Sciences Continuing Education and the American Academy of FertilityCare Professionals for the advancement of patient care. Creighton University Health Sciences Continuing Education is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for the healthcare team.

EXHIBITOR SPACE

The meeting will feature exhibition space with various groups, organizations, manufacturers, and publishers on display. Exhibit fees are \$100 for members and non-profit organizations and \$150 for all others. If interested in exhibitor space, please visit www.aafcp.net Annual Meeting section for an application.

RECORDINGS

Professional recording for most sessions will be available.

HOW TO REGISTER

To register and pay online, visit www.aafcp.net

To register by mail, send check and Registration Form to:

AAFCP c/o Michele Chambers
8315 South Cherrywood Drive
Lincoln, NE 68510

Reduced registration fees are applicable to Academy members in good standing and to those whose membership application is postmarked by April 1, 2015. Membership applications are available online at www.aafcp.net. Please note that payment by credit card will be available on site through PayPal. For more information contact aafcpadmasst@gmail.com.

CANCELLATION/REFUND POLICY

Cancellations made beyond 60 days will qualify for a full refund less a \$50 administration fee plus credit card charges if applicable. Any cancellation made between 60 days to 30 days prior to the conference will qualify for a 50% refund. No refund will be issued for cancellations within 30 days of the conference.

SPONSORSHIP

All Academy members in good standing have the opportunity to obtain sponsorship to offset the cost of their meeting expenses. For more information, visit www.aafcp.net

LOCATION & ACCOMMODATIONS

Accommodation for the American Academy of FertilityCare Professionals 34th Annual Meeting will be at Sirata Beach Resort in St. Petersburg, Florida. Nightly room price for a standard room is \$149, suites begin at \$169.

CANCELLATION POLICY: No fee if cancellation is more than 48 hours prior to check in. For reservations call Group Reservations: (800) 344-5999 Fax: (727) 363-5165 E-Mail: groups@sirata.com, www.Sirata.com.

AGENDA

Goals and Objectives are listed under each presentation.

WEDNESDAY, JULY 15, 2015

9 a.m.–5 p.m. **IIRRM ANNUAL MEETING**
Meeting of the International Institute for Restorative Reproductive Medicine
For details and separate registration information see www.iirrm.org

2–7 p.m. **COMMITTEE MEETINGS**

5–6:30 p.m. **REGISTRATION - AAFCP Annual Meeting**

7–7:30 p.m. **Welcome Remarks and Program Overview**
Karen Hemingway
President, American Academy of FertilityCare Professionals

7:30–8:30 p.m. **KEYNOTE ADDRESS**
NFP and the New Evangelization: Sharing the Truth in Love
Gus Lloyd

- Explain how to share the truth of NFP in a non-judgmental, non-confrontational way
- Explore Pope Francis' philosophy of accompanying people on their faith journey

9–11 p.m. **OPENING RECEPTION**

THURSDAY, JULY 16, 2015

8–8:30 a.m. **Breakfast on your own**

9–10 a.m. **Unusual Bleeding: Evaluation and Treatment Update**
Faith Daggs, MD, NFPMC

- Compare example charts of normal menstruation to unusual bleeding
- Review ACOG/FIGO updated definitions and classifications of abnormal uterine bleeding (PALM-COEIN classification)
- Discuss treatment strategies based on etiology within NaProTECHNOLOGY

10–10:15 a.m. **BREAK**

10:15–11:15 a.m. **Are All Pregnancies Failures or Are Some the Result of Successful Use?**
Thomas Hilgers, MD, CFCMC

- Identify the historical source for the achievement of pregnancy
- Examine the ongoing controversy in achieving and avoiding related pregnancy within family planning
- Discuss current level of practice

11:15–11:30 a.m. **BREAK**

11:30 a.m.–
12:30 p.m.

NaProTECHNOLOGY in the Treatment of Dysmenorrhea in Young Women
Michael Parker, MD, NFPMC

- Review the incidence and pathophysiology of primary and secondary dysmenorrhea
- Examine current recommended treatments, their effectiveness, benefits and potential adverse events
- Discuss non-contraceptive methods for treating dysmenorrhea, their effectiveness, benefits and potential adverse side effects
- Propose a rational and effective treatment plan for dysmenorrhea in young women that does not include the use of reversible hormonal contraceptives

12:30–2 p.m.

Lunch on your own

12:30–2 p.m.

PROGRAM DIRECTORS' LUNCHEON
Pre-registration required

Moderator: Ann Prebil, RN, BSN, CFCE

- Review current changes in Policies and Procedures for Education Programs
- Explore learning opportunities for FCP, FCS and FCE

2–3 p.m.

Preterm Labor, Causes and Treatment
Ted O'Donnell, MD, NFPMC
Shira Wise, CFCE

- Review the incidence, predisposing factors, and causes of preterm labor
- Compare current medical approaches and outcomes to preterm labor with the NaProTECHNOLOGY approaches and outcomes
- Discuss a case of preterm labor treated with NaProTECHNOLOGY

3–3:15 p.m.

BREAK

3:15–4:15 p.m.

BUSINESS MEETING

4:15–4:30 p.m.

MEET THE CANDIDATES

4:30 p.m.

Dinner on your own

9 p.m.–midnight **HOSPITALITY SUITE**

AGENDA

Goals and Objectives are listed under each presentation.

FRIDAY, JULY 17, 2015

8 a.m.	Breakfast on your own	2–3:30 p.m.	BREAKOUTS
9–10 a.m.	Science and Research Forum Robert Chasuk, MD, CFPMC <ul style="list-style-type: none">• Discuss current research in the area of natural fertility regulation• Analyze current research in the light of the ethics, standards and principles of NaProTECHNOLOGY		A) Ask the Experts for Practitioners Margaret Howard, MAM, CFCE <ul style="list-style-type: none">• Present advanced Creighton Model cases being managed by practitioners• Review and discuss management of cases and appropriate criteria upon which case management has been made possible• Illustrate the collaboration of Creighton Model practitioners and medical consultants to manage a case
10–10:15 a.m.	BREAK		B) Ask the Experts Medical Panel Thomas W. Hilgers, MD, CFPMC and colleagues <ul style="list-style-type: none">• Provide an opportunity for physicians and other medical professionals to discuss specific issues involving the Creighton Model FertilityCare System and NaProTECHNOLOGY• Educate medical staff on various applications and treatments using NaProTECHNOLOGY
10:15–11:15 a.m.	Is There a NaproDiet?: The Impact of Diet on Fertility Michael Parker, MD, NFPMC <ul style="list-style-type: none">• Review the hormonal impact of major nutrient groups- carbohydrates, proteins and fats, as they are digested and absorbed for use in cellular metabolism, growth and energy storage• Discuss the impact of high glycemic diet and gluten on metabolic function including hyperinsulinemia, insulin resistance, leptin resistance and inflammation• Explore how abnormal metabolic function affects reproductive health in both the male and female with particular focus on the hypothalamic-pituitary-ovarian axis• Propose dietary changes, a “NaPro Diet,” that will restore homeostasis to the system and improve function of the hypothalamic-pituitary- ovarian axis	3:30–3:45 p.m.	BREAK
		3:45–4:45 p.m.	How to Bring the Truth to Planned Parenthood Clients Abby Johnson, BS, MA <ul style="list-style-type: none">• Review the various misconceptions that Planned Parenthood uses in their literature concerning “safe sex,” effectiveness of artificial contraception and abortion• Discuss effective strategies that Creighton Model physicians, nurses and practitioners can use to spread the truth of the Creighton Model and NaProTECHNOLOGY

AGENDA

Goals and Objectives are listed under each presentation.

SATURDAY, JULY 18, 2015

8 a.m.	Breakfast on your own	12:30–2 p.m.	LUNCHEON
9–10 a.m.	The Effects of Breastfeeding on the Creighton Model Chart Amy Grawey, MD, NFPMC <ul style="list-style-type: none">• Review normal lactation and its effects on ovulation and the return of menses. Review some patterns of abnormal lactation (low milk supply, oversupply) and potential effects on ovulation and menses• Present patterns often identified on charts in breastfeeding women and discuss potential approaches by the FCP and NFPMC• Discuss cases that illustrate effects of lactation on the chart and discuss chart management		Using Social Media to Reach Today’s Woman Abby Johnson, BS, MA <ul style="list-style-type: none">• Review areas in social media that are available at little or no charge.• Develop a strategy for using all available means of social media to inform, educate and promote the Creighton Model and NaProTECHNOLOGY
10–10:15 a.m.	BREAK	2–3 p.m.	Pregnancy Rates in the Creighton Model Effectiveness Intentions Behaviors Assessment (CEIBA) Study Joseph Stanford, MD, MSPH, CFCMC <ul style="list-style-type: none">• Present recent results from the Creighton Model Effectiveness, Intention and Behaviors Assessment (CEIBA) study• Discuss pregnancy rates, method effectiveness and user intentions based on the CEIBA study results
10:15–11:15 a.m.	The Future of NaProTECHNOLOGY Thomas W. Hilgers, MD, CFCMC <ul style="list-style-type: none">• Review history of NaProTECHNOLOGY• Identify points for future success• Discuss the importance of study and professional implementation	3–3:15 p.m.	BREAK
11:15–11:30 a.m.	BREAK	3:15–4:15 p.m.	AAFCP Business Meeting
11:30 a.m.–12:30 p.m.	Creighton Model Q & A Thomas W. Hilgers, MD, CFCMC <ul style="list-style-type: none">• Increase knowledge of the application of Creighton Model FertilityCare System and NaProTECHNOLOGY• Explore the practical uses of Creighton Model in various case related areas	5:30 p.m.	CLOSING MASS Sirata Resort Ballroom
		7 p.m.	CLOSING LUAU Presentation of Awards
		9 p.m.–midnight	HOSPITALITY SUITE

FACULTY

ROBERT M. CHASUK, MD, CFCMC is the Associate Director for both Graduate Medical Education and the Family Medicine Residency Program at the Baton Rouge General Medical Center, as well as Clinical Associate Professor, Tulane University School of Medicine. He is a Certified FertilityCare Medical Consultant through the American Academy of FertilityCare Professionals and serves as medical faculty for FertilityCare Practitioner education programs.

FAITH DAGGS, MD, NFPMC is an OB/GYN at the Center for Women's Health in Camp Hill, PA, specializing in the applications of medical and surgical NaProTECHNOLOGY. She assisted in the development of the Chastity in Formation program for the Diocese of Harrisburg and is a Medical Consultant for the Morning Star Pregnancy Services in Harrisburg. In addition, Dr. Daggs is a frequent speaker on pro-life, chastity, marriage, abstinence and Theology of the Body.

AMY GRAWAY, MD, NFPMC is a family physician practicing Breastfeeding Medicine and NaProTechnology. Dr. Graway completed her family medicine residency at St. John's Mercy in St. Louis. In 2010 she pursued additional training in lactation and breastfeeding medicine and became a board-certified lactation consultant in 2011. Dr. Graway completed the Pope Paul VI double program, becoming a NFP medical consultant in 2012 and Fertility Care Practitioner in 2013. She owns Little Flower Family Medicine, is married and has 3 young children.

THOMAS W. HILGERS, MD, DIP. ABOG, ABLs, SRS, CFCMC, CFCE is an OB/GYN specializing in Reproductive Medicine and Surgery, and Founder/Director of the Pope Paul VI Institute for the Study of Human Reproduction in Omaha, NE. He is a member of the Pontifical Academy for Life and co-developer of the Creighton Model FertilityCare System and NaProTECHNOLOGY. He is the author of the textbook, "The Medical and Surgical Practice of NaProTECHNOLOGY."

MARGARET HOWARD, MAM, CFCE is Program Director of FertilityCare Services Limited Education Programs, and directs or serves as faculty for several practitioner education programs in the United States and abroad. She is an Active Member of the AAFCP, and serves on the Third Party Reimbursement and Membership Committees of the Academy.

ABBY JOHNSON, BS, MA is an American pro-life activist. Johnson had previously worked at Planned Parenthood as a clinic director, but resigned in October 2009. She later stated that she resigned after watching an abortion on ultrasound. Johnson is the chief research strategist for Live Action, a pro-life organization that is known for conducting sting operations against Planned Parenthood clinics. She holds a B.S. (psychology) from Texas A&M University and an M.A. (counseling) from Sam Houston State University.

GUS LLOYD has spent most of his life on the radio. For the past eight years, he has hosted "Seize the Day," heard every weekday morning on the Catholic Channel on Sirius XM 129. He and his wife Michelle have been married almost 35 years and have four children and two grandchildren.

SISTER RENÉE MIRKES, OSF, PHD is a member of the Franciscan Sisters of Christian Charity, Manitowoc, WI. She serves as director of the Center for NaProEthics [the ethics division of the Pope Paul VI Institute, Omaha, NE] and was editor of its newsletter, The NaProEthics Forum, from 1996 to 2002. She received her masters degree in moral theology from the University of St. Thomas, Houston, TX (1988) and her doctorate in theological ethics from Marquette University, Milwaukee, WI (1995). Sr. Renée brings experience in clinical ethics as well as broad experience in bioethics through a 1987-1990 research fellowship with the National Catholic Bioethics Center (formerly the Pope John Center). Sister Renée was appointed to the Nebraska Bioethics Advisory Commission by University of Nebraska President L. Dennis Smith in 2000. She is a founding member and serves on the board of Nebraska Coalition for Ethical Research.

THEODORE O'DONNELL, MD, CFCMC is a retired Board-Certified physician who for 40 years specialized in family practice. He actively practiced NaProTechnology as a Certified Creighton Model Medical Consultant from 1976 until his retirement in 2014 in East Wenatchee, Washington. A graduate of the University Of California Medical School at Irvine, Dr. O'Donnell spent 8 years in the US Navy, with two years as a flight surgeon in Guam. He received his Family Practice training at Camp Pendleton, CA, and spent the next ten years in private practice in California, before re-locating to the Wenatchee area in 1991. There he was also a clinical instructor at the University of Washington School Of Medicine training medical students and physician assistants in the art and science of medicine. He continues to reside in East Wenatchee, Washington with his bride Frances Ann. They have been married for 40 years, have four children, and are proud grandparents of twelve grandchildren.

MICHAEL PARKER, MD, NFPMC is a native to the central Ohio area. He attended the Ohio State University College of Medicine, graduating with his doctorate degree in 1989. Dr. Parker then completed his residency training at The Ohio State University College of Medicine, Department of Obstetrics and Gynecology. Dr. Parker has served as the Chairman of the Performance Improvement Committee, Chairman of the Department of Obstetrics and Gynecology and is a member of the Peer Review Committee. He also has an active role in the education of resident physicians in the Family Practice and OB/GYN programs. He also has received additional training as a Natural Family Planning Medical Consultant through The Pope Paul VI Institute for the Study of Human Reproduction in affiliation with Creighton University in Omaha, Nebraska.

FACULTY

ANN PREBIL, RN, BSN, CFCE is a co-developer of the Creighton Model FertilityCare System and a faculty member of the Pope Paul VI Institute Education Program. She is currently the Chair of the Commission on Accreditation for the AAFCP. Currently she is the Supervisor for the Department of FertilityCare Services at St. John's Mercy Medical Center, St. Louis, MO

JOSEPH B. STANFORD, MD, MSPH, CFCMC, is professor in the Department of Family and Preventive Medicine, and adjunct professor in the Departments of Obstetrics and Gynecology and Pediatrics at the University of Utah School of Medicine in Salt Lake City. He is a Fellow of the American Academy of Family Physicians. He has been the principal investigator for several studies based on the Creighton Model FertilityCare System, and has published many peer-reviewed papers based on Creighton Model data. Dr. Stanford is past president of the American Academy of FertilityCare Professionals, and a board member of the International Institute of Restorative Reproductive Medicine. He has served on United States scientific advisory committees for the NICHD (National Institute of Child Health and Human Development) and the FDA (Food and Drug Administration). Dr. Stanford is the recipient of several honors, including the annual research paper award given by the American Academy of FertilityCare Professionals.

SHIRA WISE, M.ED, CFCE is a FertilityCare educator, practitioner, and program director for Three Rivers FertilityCare Center and Practitioner Education Program in Kennewick, WA. She worked to set up the first hospital based FertilityCare center in Washington State at Our Lady of Lourdes Hospital in Pasco, WA with Dr. Elma deLeon, MD, CFCMC. She was the center director there for four years until hospital administration made a budgetary decision to discontinue all OBGYN services at its hospital including FertilityCare services. The center is now independent again, and still serves its 450+ client base with four practitioners on staff. She and her husband have been married for 14 years and have four NaPro miracles ages 11, 9, 7 and almost 5.

The CREIGHTON MODEL FertilityCare System and the new women's health science of NaProTECHNOLOGY have been developed through a research and education effort coordinated and directed by Thomas W. Hilgers, MD, Director of the Pope Paul VI Institute for the Study of Human Reproduction. Faculty members do not financially benefit.

DISCLAIMER POLICY

It is the policy of Creighton University Health Sciences Continuing Education to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any significant financial interest or other relationship

he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation. The following faculty realize no financial gain from their involvement in the AAFCP education program:
