### IMPORTANT NOTES ON HOTEL & BREAKFAST RESERVATIONS:

Due to the smaller size of the Morris Inn, it is highly recommended that you book your room as soon as possible. Area hotels often have very limited availability during summer weekends due to Notre Dame weddings, so please consider booking your room in the FertilityCare block at the Morris Inn at this time.

We highly encourage you to register for the Breakfast Buffet package as breakfast options are quite limited otherwise. While Sorin's Restaurant at the Morris Inn does offer morning breakfast, they will not be able to accommodate our entire group each morning. Thus, for the convenience of our group, we have arranged a Breakfast Buffet for each morning and recommend taking advantage of this opportunity. The buffet includes coffee and tea, fresh-cut fruit tray, assorted breakfast pastries, fluffy scrambled eggs, breakfast potatoes, apple wood-smoked bacon, sausage links, cinnamon French toast with berry garnish, pancakes, and waffles.

## AIRPORT TRANSPORTATION TO THE MORRIS INN

---

We recommend that you fly into South Bend International Airport. Taxis are available at the airport for the 20 minute drive to the Morris Inn.

You may also choose to fly into Chicago O'Hare International Airport or Chicago Midway International Airport. Coach USA Bus service runs regularly from either Chicago airport directly to the University of Notre Dame campus. The bus stop on campus is a 5 minute walk to the Morris Inn. Tickets for the bus should be purchased directly from [www.coachusa.com](http://www.coachusa.com).
